

## UPDATE TO RHS'S SUPPLY DISTRIBUTION PLAN

September 16, 2020

Dear RHS Families and Students,

Due to ongoing unhealthy air quality in the greater Seattle region, we are postponing our Supply Distribution event, again. We hoped to not delay in getting school-provided materials to our learners, but we cannot expose our staff our students and families to the unhealthy air quality predicted. Currently, the AQI is at 200, where healthy AQI should be an average of 35. For more information, please go here:

[https://cfpub.epa.gov/airnow/index.cfm?action=airnow.local\\_city&cityid=258](https://cfpub.epa.gov/airnow/index.cfm?action=airnow.local_city&cityid=258)

All students **grade 9-12** needing to pick up school-provided materials and supplies should come to RHS on **Tuesday, September 22<sup>nd</sup> from 4:00-6:30 pm**. Enter the Student Parking Lot on S. 2<sup>nd</sup> Street and drive up to each station as needed. Wear your mask and follow staff directions.

We look forward to seeing you on Tuesday!

Warmly,

**Dr. Giovanna San Martin** | Principal

**Renton High School** | ☎ 425.204.3401 | F 425.204.3412 | 400 S. 2<sup>nd</sup> Street | Renton, WA 98057 |
